

Villa Rosalys

A beautiful holiday rental in Southern France

Villa Rosalys is a gorgeous Provençal villa just a short 8 min walk from the medieval village of Roussillon in the Luberon - Provence.

A light and spacious 2-bedroom villa apartment is available for holiday rental. It is beautifully furnished to a high standard with Villa Maison furniture. Two very large terraces run off the villa with steps leading down to the 11 x 5m salt water pool where sun loungers and rattan chairs with hockers provide the optimum relaxation area.

Villa Rosalys has stunning views of the National parc of the Luberon, all the way to Mont Ventoux. It is very private on 2800m² of land with mature Oak and Olive trees, Grapes, Lavender, Figs and Pomegranate. The view is fantastic from all areas of the villa and garden.
